Tournament Participation Pledge and Consent Form

I agree to join and register as a supporting member of the NPO Down the Tesh, and I will participate in the event. In regard to participating in the 'Down the Tesh-O-Pe 2025' canoe touring event on the 'Hokkaido Heritage' Teshiogawa, I acknowledge and accept all of the competition rules, event regulations, and application guidelines. I consent to the use of my images, name, and photographs by the organizers for newspapers, television reports, and programs, under the management of the organizers. I will take full responsibility for my personal belongings and equipment during the event and its associated activities. I agree that if I am injured, involved in an accident, or become ill during the event, I will accept first aid treatment, and I will not raise any objections regarding the methods or results of that treatment. I understand that if the event is canceled due to reasons not attributable to the organizers, such as worsening weather conditions or environmental issues, or if there are changes to the event content, or if there are issues like loss or damage to equipment that affect my participation, I will not hold the organizers responsible and will not claim any refund for the participation fee or expenses incurred. This event involves navigating the Teshiogawa under my own responsibility and ability. The descent is based on the premise of capsizing, and I will wear a life jacket and prepare for capsizing. In the event of capsizing, I will ensure my feet are raised to avoid danger while being swept away. I fully understand the dangers of the life jacket coming off and will follow the staff's instructions, ensuring that I do not remove or loosen it at any point and wear it securely for the duration of the event, taking full responsibility for it. As stated above, I will participate in this event based on my own responsibility and free will, and if I feel unwell, I will refrain from participating. In the case of accidents due to minor negligence on the part of the organizers, compensation will be limited to the amount covered by the insurance I have joined, and I release the organizers and staff from any responsibility for compensation exceeding that insured amount.
